

# CURRENT TRENDS ON RADICALISATION IN CENTRAL AND EASTERN EUROPE

Jacek Purski, Institute of Social Safety (Instytut Bezpieczeństwa Społecznego)

# INSTYTUT BEZPIECZEŃSTWA SPOŁECZNEGO (INSTITUTE OF SOCIAL SAFETY)

- Introducing prevention and countering of RADICALISATION!
- Education: trainings, workshops, lectures etc.
- Knowledge, Innovation, Cooperation.
- Professional consulting, e.g. Police, ABW, local authorities, etc.
- National Expert Team (approx. 20 experts).
- Local Expert Groups (FLP), e.g. Dąbrowa Górnicza.
- EU Projects (Champions, Do One Brave Thing, Precobias).
- ThinkTank: Systemic Approach – National Agency.

# CURRENT TRENDS

- Today = radicalisation and COVID-19
- Hate crimes
- Fake news
- Conspiracy theories  
(white genocide, great replacement)
- Autonomous Nationalists & Alt-Right
- Identitarian Movement
- Neo-Nazi Accelerationism
- Individual radicalisation (e.g. 5G)

# CHANGES

- VUCA World of Radicalisation (volatility, uncertainty, complexity, ambiguity).
- Mainstreaming extremism.
- Political support inspiration.
- False symmetry.
- New trends come from the East.
- Online means more effective (radicalisation).
- Oldschool Activists vs. Modern Extremism
- Challenges (new/old, west/east)
  - media literacy
  - critical thinking
  - dialogue as a competence
  - NVC

# RECOMMENDATIONS

- Recognition and understanding.
- Depoliticisation.
- Education (tailored).
- Expert voice (e.g. NGOs, international networks etc.).
- VUCA 2.0 (vision, understanding, clarity, agility)
- Systemic solutions!

# SYSTEMIC APPROACH

- National Agency.
- Systemic Innovation based on best EU practices.
- Tasks: coordination, education, prevention, communication.
- Going local.
- Concept: academic research.
- ThinkTank: the proces based on National Expert Team.
- Implementation: political support.
- The role of RAN.

# THANK YOU!
