

ABOUT US

Origin: German family-owned software development company with more than 22 years of experience delivering high-performance solutions to governmental agencies in Europe and worldwide.

Know-how: Experienced staff consisting of expert developers, former analysts and domain experts. Security clearance and understanding of customer integrity and sensitivity is a given. In-depth knowledge of Intel workflow with an understanding of the need for a structured approach, search and reporting functions.

OUR SOLUTION

SCOPE: Mass-data analytics and knowledge management solution fully independent of specific sensors' providers.

SCOPE enables analysts to use any type of structured data:

- No limit in number of sensors
- Wide variety of sources ranging from SIGINT to Legacy Data
- Easy integration and scalability
- Flexibility - small tactical to nationwide strategic
- Standard APIs

.SCOPE

ANALYTICS. KNOWLEDGE. DECISIONS.
